

# SUPPLIER PREQUALIFICATION NOTICE 2021-2023

Action Against Hunger (ACF) has operated in Uganda since 1980. In 2018, the country saw an overall global acute malnutrition (GAM) prevalence of 3.6%. However, in the areas where ACF operates, the refugee and host communities experience significantly higher rates of undernutrition. ACF aims to increase access to lifesaving malnutrition treatment while also providing long term solutions to hunger for all communities. ACF seeks to invite interested and eligible organizations to submit applications for the prequalification of suppliers for supply of goods, services and works for the period 2021/2023 for the following categories.
